CCSC
CONSORTIUM FOR COMPUTING SCIENCES IN COLLEGES
Midwest Region

27th Annual Midwestern Conference
Ivy Tech Community College
Fort Wayne, Indiana
September 25-26, 2020

Call for submissions of papers, tutorials, panels, workshops, and student participation

The CCSC Midwestern Conference convenes every year to share knowledge through Papers, Panels, Tutorials, and Workshops. This year's conference will be held in north east Indiana at Ivy Tech Community College in Fort Wayne, IN.

We are interested in all aspects of computing in two-year and four-year colleges. If you teach in a computing-related discipline and it's of interest to you, it's of interest to the CCSC:MW community! We welcome original research, experience reports, case studies, and position papers on computing-related topics. Student participation is strongly encouraged.

Important 2020 Dates

Papers
